

## Welcome to class RN

## Meet the Teachers!

Hello and welcome to RN! Your new teachers will be Mrs. Kitching and Mrs. Gurr and Mrs. Maissa-Brown is our Teaching Assistant.

We are excited to meet you all in September and have many exciting plans in store for you. Let's start by telling you a little bit about ourselves....

### Mrs Kitching

I have been teaching for eleven years and have been lucky enough to teach at Our Lady of Mount Carmel for eight years. I enjoy reading, going for long walks with my dog Ollie, family days out and socialising with my friends. I have a daughter called Amelie who is three and is already showing herself to be an independent and sassy little girl, lucky me! I have a little boy on the way- due in the autumn.

### Mrs. Gurr

I have been teaching for seventeen years and this is my fourth year at Our Lady of Mount Carmel. I enjoy going for long walks, socialising with friends, family days out and doing yoga. You will often see me showing my latest learnt yoga move to Mrs Maissa-Brown and you will notice that I love dancing sometimes even while teaching! I have a ten-year-old called Evelyn and a seven-year-old called Stanley and I love sharing their funny stories with my class.

### Mrs Maissa- Brown

I have a son called Luc who is 16 years old. I like walking, swimming and shopping. I can't wait to meet you all ☺

Have the best summer, make lots of memories, be good, stay safe and we look forward to seeing you in September.

Mrs. Kitching, Mrs. Gurr and Mrs. Maissa-Brown 😊
