

Dear Key Stage 2 Children,

I am delighted to share with you that we can begin our much-loved and missed Try Something New Day sessions again this half term. You may or may not have been told about these days by older brothers or sisters or friends that have been at Mount Carmel in previous years. We love TSN days! Throughout the year you will be given the opportunity to learn and develop some new skills and hopefully find new hobbies. You will be in a group with a mixture of children from across Key Stage 2 and this is always a wonderful chance to make new friends.

This year I am delighted to tell you that we will be running sessions on First Aid, Craft, Outdoor Survival, Sustainability and Woodwork and you will have the opportunity to take part in ALL of these sessions throughout the course of the year. (Subject to changes in restrictions)

Each half term you will be told which activity you will be taking part in and what equipment or clothing you need to bring in, if any. We are asking for a one-off voluntary donation of £10 for the year to help us purchase the equipment we are unable to have donated. (Please pay on ParentPay)

We are always grateful for any donations of wood for the outdoor fire building too so any sticks or logs you find on walks we would be very grateful for and pieces of wood suitable for building with would be put to good use!

Our first TSN session will take place on Wednesday, 8th December 2021.

Try Something New is always a highlight of each half term for both you, the children and the staff too. I look forward to watching you grow and develop these valuable skills.

Many thanks,

Mrs Rooney
