

# Meet the TEACHER

Mrs Bunn

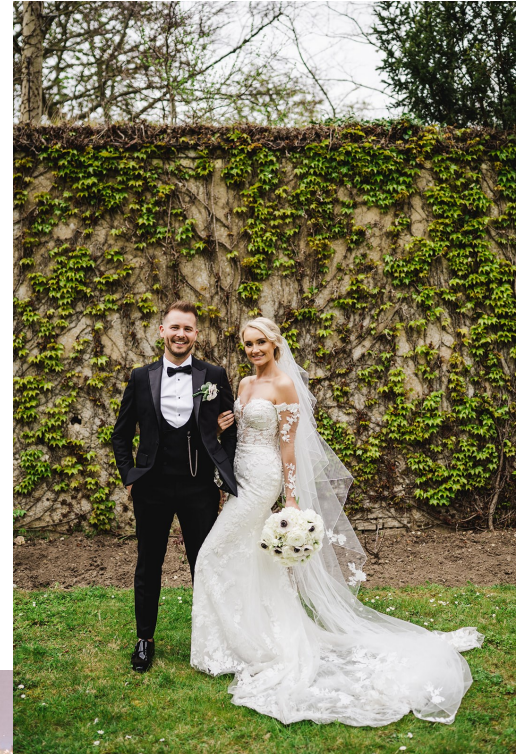

Hi! My name is Mrs Bunn and I am so excited to be your teacher this year. I can't wait to learn all about you, but first I will tell you a little bit about me.

I am 30 years old and I recently got married, you may still know me as Miss Thompson. I have lived in Birmingham all my life, but three years ago, I moved to Bromsgrove with my husband James. This will be my 10th year teaching.

I absolutely love travelling and exploring new countries. You will always find me on a new adventure during the school holidays.

I am a very keen netballer and play competitively at least 3 times a week, but I would play every day if I could. I also enjoy baking, cupcakes are my speciality, I am always baking them for all the teachers at school!

I love teaching because I love making learning fun for others. I look forward to welcoming you all in September. This year is going to be great!
